AWP 10

LANGUAGE & LEARNING in the AMERICAN ACADEMY

Spring 2022
Mon & Wed 11:00 am - 12:20 pm (Remote)
w/ Dr. Karen Gocsik

Are you interested in practicing writing and fulfilling the undergraduate DEI requirement?

This course, which focuses on the diverse experiences of college students from different racial and cultural backgrounds, will offer you the opportunity to reflect on your own university experiences in a small and intimate learning community.

Students engage in practices and learn skills necessary for success in any future courses that require critical thinking, reading, and writing.
